

Resume

About Me

I am an **MBA student at University Canada West** and have a solid foundation in customer service, sales, and business communication.

My experience in retail, telecommunications, and hospitality has not only helped but also honed my ability to connect with people, find solutions, and achieve outcomes in high-pressure environments.

I am looking to use my business acumen and people skills to come up with solutions that are not only value-driven but also applicable in the areas of customer experience and management.
